

Shoulder Dolly - Testimonials

“From an orthopedic surgeon’s standpoint, moving heavy objects so easily & effortlessly with the Shoulder Dolly® is good for you and your back.”

*Dr. Robert E. Hunter, MD,
Orthopedic Surgeon, Aspen, CO*

“I can see it reducing acute injuries as well as long-term damage to the spine.”

*Dr. Paul Parsons, DC
Chiropractor, Glenwood Springs, CO*

“In my 25 years of experience selling, merchandising and delivering appliances I have never seen a product as effective as the Shoulder Dolly®. The system has dramatically improved my delivery service by increasing personal safety and efficiency and dramatically reducing insurance claims.”

*Tom Knipping,
Appliance Dealer, 25 years*

“I love the Shoulder Dolly® System! Items that were difficult for me to move are now much easier to move using the Shoulder Dolly®.”
