

*Religion that God our Father accepts as pure and faultless is this:  
to look after orphans and widows in their distress . . . James 1:27*

*God has graciously called me, along with Grace for Glory Ministries to serve the El Shaddai Children's Home, and the El Shaddai Christian School, which is located in Haiti, the poorest country in the western hemisphere.*

### ***El Shaddai Children's Home***

*The El Shaddai Children's Home provides a safe, comfortable, and loving environment. The staff at El Shaddai minister the love of Jesus Christ to some of the poorest, most abused, most neglected children of the world. Some of the children who call El Shaddai their home were orphaned, but many were simply abandoned on the street, unwanted, unloved, and forgotten. Each day the children of the El Shaddai Children's Home worship God our Father and our Lord Jesus Christ through praise and worship, Bible Study, and prayer.*

### ***Program #1: Home Sponsorship Program***

*Although the children who live at the El Shaddai Children's Home are well cared for, they often lack basic necessities. Food is a daily concern and often lacking. For \$20.00 a month you can ensure that a sponsored child does not go to bed hungry. You will have comfort knowing that when your child goes to school they will be able to concentrate because they are clean and fed.*

### ***Program #2: Home Basic Necessities Program***

*The children at the El Shaddai Children's Home also lack basic necessities like a bar of soap, toothbrushes and toothpaste. A gift of only \$10.00 per month will provide these items for one child.*

### ***Program #3: Home Staff Members***

*The El-Shaddai Children's Home currently has 10 staff members. These individuals serve the Lord each day by caring for the children. They earn around \$10.00 per month - which is not even enough money to buy food for their families. Grace for Glory Ministries provides 100 pound bags of beans, and 110 pound bags of rice each month for the El Shaddai staff. The rice and beans is divided up into zip-lock bags for the staff to take home and prepare for their families. A gift of \$20.00 per month provides one staff member with food to feed their family.*

### ***The El Shaddai Christian School***

*If you live in Haiti and cannot afford to send your children to school they do not receive an education. In 2007, the El Shaddai Christian School was established to educate the children of the El Shaddai Children's Home and children in the local village. This year, 2009, there are over 100 children attending school. Our hope and prayer is that through education and God's help, these children will grow up to become responsible, productive citizens. We also pray that they will learn to live a victorious life in and through Christ*

*Jesus our Lord.*

**Program #4: Christian School Sponsorship Program**

*Families in the village want their children to have an education but cannot afford to send them to school. You can send one village child to the El Shaddai Christian School for \$25.00 per month. Your gift will provide food, school supplies, and basic necessities.*

**Program #5: Children Are Hungry - Friday Meal Program**

*Even though the children who live at the El Shaddai Children's Home and many children from the village are attending school, they still lack the basic necessities. The most urgent and immediate need is food. Grace for Glory Ministries has committed to provide food for all the school children to eat each Friday. We also want to provide basic school supplies, vitamins, and basic toiletry items like soap and a toothbrush to each child. A gift of \$25.00 per month will provide these items for one child.*
